PTO News

Our first event for this school year is the 6th grade social on September 25th. It will be held before the first school dance. This gives the 6th graders from different schools a chance to meet and socialize.

The PTO is trying a new type of fundraiser this year. Kick off is Sept. 29th. You will be able to order magazines and other items such as wrapping paper, chocolates and lots of other goodies. We appreciate your support. Visit our web site which has all the PTO info, minutes and meeting times. Please feel free to contact any of us at any time with any questions. phone #'s on the web site.

A message from your Principal...Dr. Joan C. Fagnoli

Open house was a great success. It is always nice to have involved parents in the school. This week ticket sales begin for the 6th grade social and the first dance of this school year (\$5 per person). Students can purchase tickets during lunch. Please return your response for the H1N1 flu shot ASAP so that we can get an accurate count.
